

WHO WE ARE

USKO Shipping Inc is a full service worldwide freight transportation company, serving the needs of the international shipping industry. We are committed to providing our clients around the world with reliable, flexible shipping solutions based on expertise gained from over ten years in business. We strive for long-term partnerships with our customers by delivering a wide range of services adapted to meet their specific needs.

Whatever you are shipping, wherever your destination, our dedicated team of professionals is always there to assist you.

By shipping with USKO Shipping, our customers can enjoy peace of mind that comes from working with a carrier that offers proven shipping solutions. USKO Shipping is large enough to provide shipping services to every corner of the world, yet small enough to give our customers the personal attention they deserve. At all times, our skilled and experienced team members are there overseeing the loading process, managing inventory and location of the cargo.
